Most Sabbath keeping websites including Church, Messianic and Sacred Name Assemblies have studies concerning Sunday ... one recommended writing of a Sunday Preacher that had the moxy and the fortitude to turn an entire Church to the Sabbath entitled: "Why Did I Ever Preach on Sunday Worship" maybe obtained by writing: Roe Allen Stanfield - Old Paths Assembly P.O. ### ***Announcement***

Because this is my first effort at writing a book and I am not formally trained as a writer; I may lack some polished smoothness of some professional writers. But then the polished professionals among the trained Biblical academic scholars on both sides of the gentile line, have either missed the awareness or have chosen to withhold the core point and the related ramifications; briefly compiled within this book. I have compiled and written this research and the pertaining personal life accounts in response to the strong leading of YHWH's Set-Apart Spirit. Even though I would have liked this work to have come to you freely, it has not been free in very many ways. Many of those ways have been hard fought and hard learned, with some lessons being profoundly hurtful and bitter. No doubt most of that could have been avoided had the Truth been taught instead of the lies. That Truth must be shared. The task, materials and ongoing considerations of sharing this written information are not free. Any help whether Prayer, Financial, Logistic, Direction, Guidance of Father Yahweh's Urgence or Leading would be greatly appreciated. I Pray that you have been Blessed, Challenged, Enlightened and Encouraged in a more clear understanding and position of Covenant Scriptural 'Faith'. If so ... there are many others of your Spiritual Brothers and Sisters that need the same awareness. And many more of the still lost that will need the same.

Shalom and may Yahweh Bless you

If you have gained knowledge and growth ... If you are financially or resource able to extend and advance the effort of sharing a more genuine Biblical understanding ... If you have that Heart and are so Lead, Please contact;:
