

Yahshua seen at the B'nai Yahshua Synagogues Worldwide Congress April 2009

This is Sister Viyahta Robinson, taking a health seminar

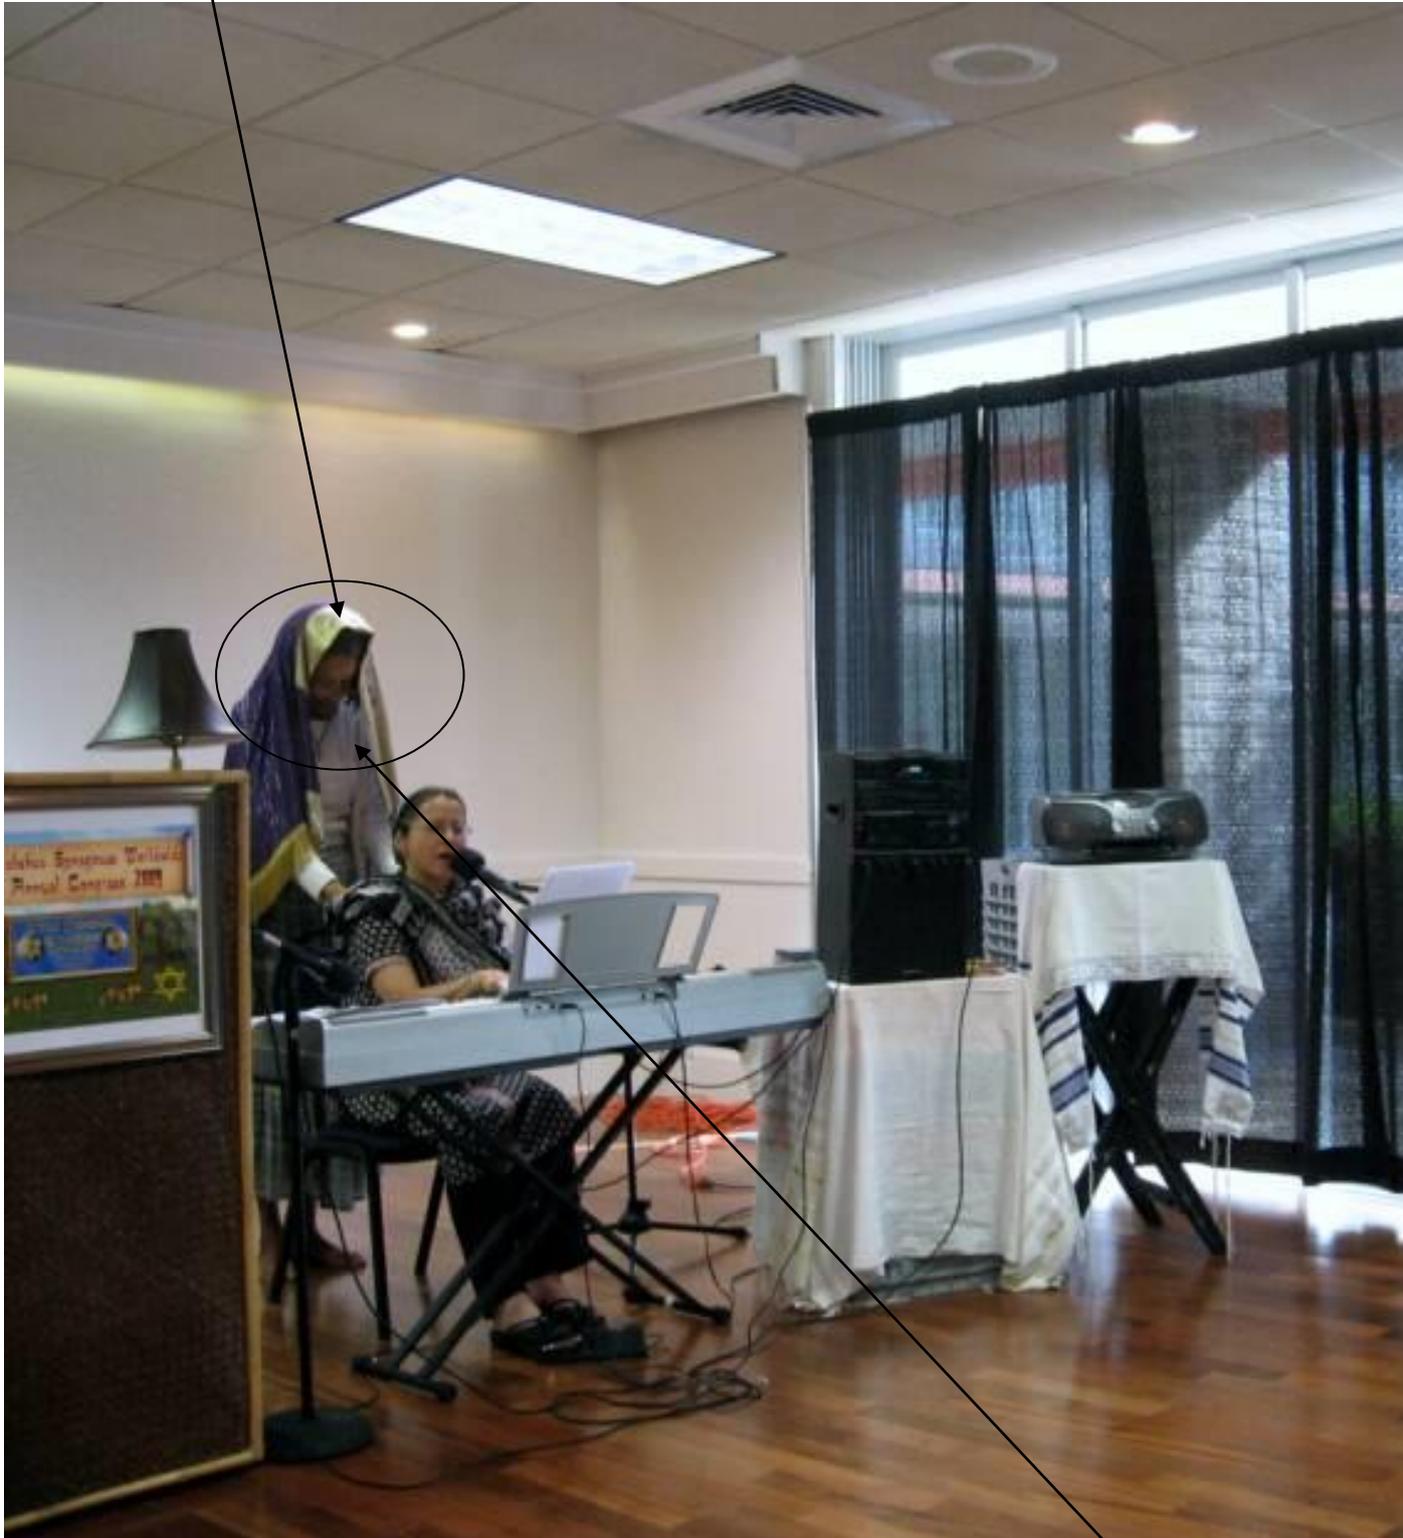

After the Health Seminar Sister Robinson goes around laying hands on all at the

**Congress, notice the next photo could this be
Yahshua?**

*This photo appears to be a man with a beard
I believe this is Yahshua manifesting Himself
for us to see without getting to much of a
look.*

Tefillin

The enlarged Photo clearly shows a man with a full facial beard.

also notice the very square appearance at the top of the head is possibly Tefillin, below is some Jewish men praying with Tefillin and Tallit, very similar in shape and appearance.
